

Rev. Marta Pumroy Cordero was called and ordained into the position of Border Coordinator for Tres Rios Presbytery Border Ministry in September 2024. Over the past 15 months, I have experienced a woman who takes her faith to heart and has poured that heart into the care and well being of our sisters and brothers who have migrated to the Border. Marta is a person of deep commitment, one who is actively and continually seeking the Spirit's leading as she pours herself into this ministry. Her experience on both sides of the Border with migrants as well as people of faith who have come here to experience this ministry and the Border community has equipped her to be a valuable resource. Any church or governing body throughout the USA grappling with what it means to Love God and Love Neighbor would be wise to utilize Marta. I have been involved with Border Ministry in the PCUSA for 32 years, and I have been blessed to work with many very talented "saints" of faith. Marta is one who rises to the level of this great group!
